

# CHARADIN E. FRANK

---

(718) 249-3305 CEFrank80@Gmail.com

190 Cozine Avenue Apt. #2E Brooklyn, NY 11207

**OBJECTIVE**

**To work as a Nuclear Medicine Technologist**

---

## EDUCATION

---

**Bronx Community College**, Bronx NY, Graduated: June 2008  
**Associate of Applied Science: Nuclear Medicine Technology**  
**NMTCB & ARRT Certified**  
Accumulated GPA: 3.5

**University of Rochester**, Rochester NY, Graduated: May 2004  
**Bachelor of Arts: Studio Arts**  
Accumulated GPA within discipline: 3.5

---

## CLINICAL SITES

---

**Montefiore Medical Center, Albert Einstein Hospital & Jacobi Medical Center**  
Bronx, NY (June '07 – June '08)

---

## EXPERIENCE

---

**General Tc<sup>99m</sup> studies, PET & SPECT Cardiac rest/stress Test, MUGA, Lung V/Q scans**  
**Thyroid imaging, I<sup>131</sup> Bexxar, In<sup>111</sup> ProstaScint, Zevalin, Ga<sup>67</sup>, Tl<sup>201</sup>, Uptake Probe, DEXA**

- \* Calibrate instruments at the beginning of each day and perform QC & survey procedures
  - \* Follow radiation safety techniques in use and disposal of radioactive materials
  - \* Assay doses and prepare radioactive isotopes for administration to patients
  - \* Perform proper venipuncture, start IV's and administer I<sup>123</sup>capsule
  - \* Document, calculate and process data of patient studies for interpretation
  - \* Serve a diverse caseload including children, adolescents, adults and geriatrics
- 

## IMAGING MODALITIES

---

**SPECT: ADAC** Forte; Vertex; SKYLIGHT; Cardio MD; **Siemens** E-cam; Orbiter; **Trionix** Triad

**PET: Phillips** Gemini [16 & 64-Slice] **Bone Density: Hologic** Discovery, QDR Series

---

## KEY COURSES & CERTIFICATIONS

---

BLS Healthcare Certification  
Phlebotomy [>75 venipunctures]

Radiation Biology & Physics  
CT Cross Sectional Anatomy

EKG Interpretation  
Nursing Techniques

---

## RESEARCH, PRESENTATION & VOLUNTEER ACTIVITIES

---

- \* **Conducted Presentation:** *Introduction to Nuclear Medicine*; Health Care Leaders' Club, Wadleigh High School of the Performing Arts (Feb '08)
  - \* **Volunteer:** *Mentoring in Medicine*; Frederick Douglass Academy (January '08)
  - \* **Volunteer:** *Emergency Department*; Montefiore Medical Center (Sept '06-June '07)
  - \* **Recruited Patients for Research Project:** *The Relationship between 64-Slice Coronary CT Angiographic Findings and Perfusion Defects on SPECT Myocardial Perfusion Imaging in an Inner-City Outpatient Population*; Montefiore Medical Center (Sept '06-Dec '06)
-
